[Google Chromecast Setup For Mac/Linux](#)

The screenshot shows a browser window with the URL <https://cast.google.com/chromecast/setup?top=thankyou>. The page content includes the Chromecast logo, the heading "Thanks for downloading the Chromecast app", and a sub-heading "If your download does not begin, please [click here to retry](#)". Below this, it says "After the download is complete, follow these quick steps...". There are three instructional cards: "Verify" (with an image of a Chromecast being plugged into a TV), "Install" (with an image of the app being dragged to the Applications folder), and "Run" (with an image of the app being opened). At the bottom of the browser window, a file named "chromecast-setup_1...dmg" is visible in the download bar.
